Bhaskaracharya Math Learner Assessment

Date: 24 August 2019

The core committee of Bhaskaracharya maths club conducted a kind of aptitude test based on basic concepts of general Mathematics in our institute. The main motive of the test is to find more math enthusiasts from our institute which are interested in enhancing their knowledge of Mathematics.

This test was open for all the students from first year to the final year students of B.Tech .An amount of Rs.1500 was decided as the total prize money for the first three rankers.Test was conducted on 24 august 2019 in the afternoon from 2 pm to 3:30 pm. Venue of the test was A complex halls. The test was of total **60** marks.

There was a great response from students of our institute to this test. Total **168** students appeared for the Exam. Out of these maximum students were of the first year B.Tech. About 70 students of first year were there. .During the test we saw many deserving minds purely interested in Mathematics which was indeed immense pleasure.

The first three rankers of the test were from the first year. Topper got **53** marks out of 60. Total budget of the test was **Rs.2700** . We took feedback from the students about the test conducted. Many of the students said that time was insufficient and the difficult level was little bit high.

The test was indeed a successful event conducted by Bhaskaracharya marths club members which found out some actual deserving and enthusiastic candidates who want to percieve mathematics as an interest!!
