

Birth Anniversary of India's first woman Prime Minister Indira Gandhi

There are two kinds of people, those who do the work and those who take the credit. Try to be in the first group; there is less competition there.

-Indira Gandhi

Indira Gandhi, India's first woman Prime Minister, famous as the "Iron Lady of India" was born on November 19, in 1917. On her 102nd birth anniversary, Twitter is abuzz with tributes for the role model for women. Across the country, schools and colleges on this day **host cultural programmes, events and competitions**. Sometimes, teachers also take part in these events to demonstrate their love and affection.

Indira Priyadarshini Gandhi (19 November 1917 – 31 October 1984) was an Indian politician and a central figure of the Indian National Congress. She was the first and, to date, the only female Prime Minister of India. Indira Gandhi was the daughter of **Jawaharlal Nehru**, the first prime minister of India. She served as **Prime Minister** from **January 1966 to March 1977** and again **from January 1980** until her assassination in **October 1984**, making her the second longest-serving Indian Prime Minister, after her father.
